Mt. RC&D Assists Watershed Project

The Mountain Resource Conservation and Development Council recently formalized a partnership with the Upper Guyandotte Watershed Association by making a generous contribution in support of the OSM/VISTA program in Mullens. Mt. RC&D conducts a variety of programs focused on rural community development across a 12 county area in south-

ern and south-eastern West Virginia.

The goal of the local OSM/VISTA program is to build the capacity of the UGWA. This program is sponsored by the Rural Appalachian Improvement League and is currently staffed by Ms. Kelly Jo Drey. The work of the OSM/VISTA

is important to the UGWA and the support of the Mt. RC&D is greatly appreciated.

A partnership with the Mt. RC&D will surely be a great benefit to the UGWA as the association strives to improve the quality of life for the people of southern WV by conducting water quality improvement projects.
